The Totem II newspaper (usually 28 or 32 pages) is published three times a year and sent to all current paid members. The Totem II is packed with information of interest to all Lincoln alums as well as having a column specific to each class.

An Annual Luncheon is held every spring to bring together all classes, to share in the memories, and to promote the spirit of Lincoln High School.

Class Reunions are promoted via the LLAA website and in the Totem II quarterly publication.

An Alumni Database is available for up-to-date names, names, addresses for Class Representatives and Reunion chairs.

Special events are scheduled for alumni to participate in during the year, e.g., Wallingford Community Parade.

*Preserving the history and
tradition of Lincoln High School*

Lincoln High School

Early in spring 1906, a group of Seattle School Board members crossed Lake Union and headed north to the small neighborhood of Wallingford in search of a site for a new high school in the north end of the city. Seattle's first high school had exceeded its capacity after only four years (see Broadway), and a second school was clearly needed.

Residents of both Fremont and Green Lake wanted the school in their neighborhoods, but a site on Interlake Avenue was chosen because of its central location and proximity to streetcar lines. At the time of its selection, the site was covered with brush and stumps left by logging operations and sawmills still operating nearby. Some citizens requested the school be named Interlake High School to conform with the new grade school, but the board agreed wholeheartedly on the name, which honors Abraham Lincoln, the nation's sixteenth president.

Membership in the Lincoln Alumni Association

To former members, we miss you as a loyal member of LLAA. To those who have never been members, we would love have join us in supporting future Lincoln graduates pursue their higher education thru the efforts of LLAA.

I'm not sure if you are aware but our alma mater will re-open as a full 4-year high school in 2019. Exciting times, to say the least, for Lincoln alumni and LLAA. We are playing an active role in the preparation for this reopening and plan to expand our scholarship program to include LHS graduating seniors in addition to our primary purpose of granting scholarships to lineal descendants of LHS graduates. In addition, LLAA organizes an All-Class Luncheon each year, held in early June, publishes a nationally recognized school newspaper (Totem II) three times a year, helps classmates keep in touch with classmates and more.

Remodeled Lincoln High School

The remodeled Lincoln High School will be a "state -of-the-art" educational center with the technology, learning centers, and curriculum essential for the preparation of students for tomorrow's careers and civic leadership.
